

# EDUCATION RING PRESENTATION SCHEDULE

Experts will cover topics ranging from veterinarian advice, cat behaviors, and kitty play 101 to cat colors and patterns, popular breeds, and more. Don't forget the stuffed animal contest each day at 1:00!

## SATURDAY

- 10-11 **Seven Ancient Mutations**  
Where did all the colors and patterns of our cats come from?
- 11-12 **Guest Speaker, Joey Lusvardi Certified Cat Behaviorist**  
Learn how to read your cat from a cat behavior expert. Common body language cues including subtle ones that your cat is enjoying something, is stressed out, or is trying to communicate something to you.
- 12-1 **Dr. Katie LaMotte, DVM**  
Preventative care and common illnesses in cats.
- 1-2 **Stuffed Animal Contest**  
Kids 12 and under are invited to bring their favorite stuffed animal. We will have a limited number of stuffed animals available if you forget to bring your own.
- 2-3 **Feature Breed: The Russian Blue**  
Visitors can meet the cats and ask questions.
- 3-4 **Feature Breed: The American Curl**  
Visitors can meet the cats and ask questions.

## SUNDAY

- 10-11 **Cat Colors and Patterns**  
How many coat colors and patterns do cats come in?
- 11-12 **Kitty Play 101: How to Have Purr-fect Interactions**  
Playing with kittens and how to interact with them.
- 12-1 **Feature Breed: The Maine Coon**  
Visitors can meet the cats and ask questions.
- 1-2 **Stuffed Animal Contest**  
Kids 12 and under are invited to bring their favorite stuffed animal. We will have a limited number of stuffed animals available if you forget to bring your own.
- 2-3 **Feature Breed: The Burmese**  
Visitors can meet the cats and ask questions.
